Woodbury (Sioux City)	<a href="#">13, 15</a>	\$115,800	\$135,100

Targeted Areas are census tract areas in which 70 percent of the families who live there earn an income that is 80 percent or less than the statewide median income. Borrowers in Targeted Areas benefit from higher income and purchase price limits than Non-Targeted Areas in the same county and need not be first-time home buyers to use the FirstHome program.
